

Gestation

Complete the following table

	years	male	female	young	group	gestation
Antelope	10	buck	doe	fawn	herd	6-8months
Bear						
Cat						
Goat						
Pig						
Tiger						
Whale						
Rabbit						
Zebra						
Horse						
Lion						
Goose						
Dog						
Sheep						

What kind of graph could you make using the information you collected about the gestation of the animals? Make a graph of your choice that indicates clearly the animals and their gestation period.
