

Name:

Hello, I am
Rita Rabbit

Rita Rabbit is very happy. She has just found farmer Brown's vegetable patch. It is full of carrots and other vegetables. Rita Rabbit loves eating carrots. They are her favourite vegetable. Farmer Brown does not like rabbits. They eat his vegetables and dig holes. The rabbits make him angry.

Oh, dear! Farmer Brown is coming and Rita Rabbit is still eating his carrots. "Run Rita, run!" shouts Ricky Rabbit from the other side of the fence. Rita runs fast. She does not want to be caught by Farmer Brown.
