

Teacher's Notes

- Can students read the story by themselves?
- Can they follow the instructions and draw look a-like vegetables, Ricky rabbit and farmer Brown?

Suggested Activities:

- ❖ Have students write an ending to the story. Does farmer Brown catch Rita Rabbit? What does he do to her?
- ❖ Act out a play. Choose one student to act as Rita Rabbit, another to act as Ricky Rabbit and one as farmer Brown. The other students could act as vegetables or as other rabbits playing in the field. If you really want to put effort into the play, make costumes. Rabbit costumes, a farmer costume and have students dressed as vegetables.
