

Name:

PETS

Write in the circles what Rex the dog needs to be looked after properly.

What could happen to your pet if you did not look after it properly?

Write a pet in each box.

If you had a pet and you touched it each day, what would be the most important thing to remember to keep yourself healthy and free from disease?

Do a survey. Ask ten other children if they have a pet. Add up the number of pets. How many pets do the ten children have together? Make a list of all the pets. Which pet is the most popular? Ask and record why they keep a pet.

Use the back of this worksheet to write your survey.
