A PLAY

- ◆ Goldilocks and the three bears.
- ◆ The little match girl.
- ◆ Alice in wonderland.
- ◆ Snow White.
- ◆ Story of your choice.

Task 1

Make small groups with students in your class. Decide which play you are going to act out. Choose one of the stories above or choose your own. Find a book about the play you choose and carefully read and study the characters in the story.

Task 2

Decide who is going to play what part. Be fair and make sure everyone is happy with the part they are going to play.

Task 3

Your play should only last 10 minutes at the most. It needs to be simple but effective. Make sure you speak clearly and loud enough for everyone to hear. You don't need to use costumes but you can use simple dress-ups if you like. The whole idea is for you to work together with other students and be able to communicate a story across to others.

Task 4

HAVE FUN!

Acting is an art and being able to speak in front of others will help you get more confidence. Don't forget, have fun and grow more confident.
