

Name: _____

Your favourite female pet had babies. You are told you can keep one baby but you must give away or sell the others.

Design a 'For Sale' or 'Free to Good Home' advertising poster to hang on a bulletin board.

Points to remember:

- *What you are selling or giving away.*
 - *Contact phone number.*
 - *Cost.*
- *Description of the animal.*

Use colour and drawings to make your advertising poster stand out.
You can sell any animal you wish, even elephants if you like them!

Use pencils, crayons, paints or glitter to give your poster that special effect.
