

Name _____

I think it took a lot of nerve for a bear like me to get dressed up like this.

THE NERVOUS SYSTEM

Find the words in the word search.

Each word has something to do with your nervous system.

p	f	a	c	i	a	l	n	e	r	v	e

pons, medulla, cerebellum, facial nerve, tibial nerve, nerves,
sciatic nerve, spinal cord, sacral plexus, cauda equina

Write the above words in alphabetical order.

Did you know... that your spinal cord is the thick cord of nerve tissue within the spinal canal, which has 31 pairs of spinal nerves and together with your brain forms your central nervous system?
