# CAN YOU HELP ME?

G'day! I'm Scruffy Hare.  
It's got me why they call  
me Scruffy Hare, my real  
name is Issachar.

Anyway, do you like  
carrots? I like them. In fact  
they're my favourite  
vegetable.

I need your  
help. Can you  
help me with  
the following  
tasks?

My teacher asked me to  
collect 30 varieties of  
fresh fruits and vegetables  
for school lunch  
tomorrow. Can you write a  
list for me so I know what  
to get? **THANKS**

Oh! I almost forgot.  
You are to write  
them in alphabetical  
order.

Gee! I don't want to be a pest  
but while you're at it can you  
write out a recipe for a fresh  
fruit salad? Thanks pal!

Oh Yes! One more thing. I'm to draw a  
fruit bowl with lots of fruit in it. Guess  
you don't mind doing that for me? You're  
a good friend to have around buddy.
