

Teacher's Note

- Check if students have coloured with the correct colour the correct fractional part of the shapes.
- Yes
- No
- No
- Check if students have drawn 50% of a house, $\frac{3}{4}$ of a cake and $\frac{1}{4}$ of their teacher.

Suggested Activities:

- ❖ Practice fractions with fractional dices.
- ❖ Ask students to raise their hands. Ask them to lower 50% of hands raised in the class room. Can they work out how many hands are to go down?
- ❖ Ask students to hold up $\frac{1}{2}$ of their fingers. Ask them to hold up 50% of their fingers.
- ❖ Ask students to make two groups of students of 50%, then to make four groups of students of 25%.
