

Name_____

The 12 times table is shown here as a column graph. Each column represents the correct amount of parts of each sum. Give each bar a different colour and match the colour with the multiplication table on the right of the graph.

Project:
Draw a column graph on another piece of paper showing the following multiplications.

1X12

10x12

6x12

12x12

3x12

8x12

- ☐ 1x12=12
- ☐ 2x12=24
- ☐ 3x12=36
- ☐ 4x12=48
- ☐ 5x12=60
- ☐ 6x12=72
- ☐ 7x12=84
- ☐ 8x12=96
- ☐ 9x12=108
- ☐ 10x12=120
- ☐ 11x12=132
- ☐ 12x12=144
