Spin the globe

You will need a globe for this project.

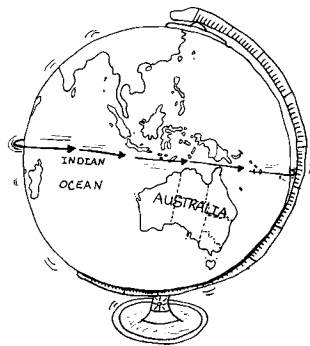

Spin a globe with your eyes shut.

Stop the globe with one finger.

Where did your finger land?

Find a book in the library about the place your finger landed.

If you landed in the ocean find a book about that ocean for your project.

Your final task is to make a poster about the place your finger landed. Find out the following facts if you landed on a country:

1. What language do the people speak?
2. What is the capital city?
3. What native animals live there?
4. How many people live there?

If you landed in the ocean, find out:

1. What kind of sea creatures live there?
2. Name some islands in the ocean.
3. What continents are linked by the ocean?
4. Who uses an ocean?

Find pictures to glue to your poster which have something to do with the country or ocean your finger landed on.
