

Name: _____

Greenbushes

Greenbushes is a small community situated over 320 m above sea level on the Darling Scarp.

The Greenbushes Loop is a 15 km walk trail connecting to the Bibbulmun Track.

Although Greenbushes is a small town it has large industrial value to its community and Australia.

Complete the following tasks.

- ❖ Locate Greenbushes and the Darling Scarp on a West Australian map.
- ❖ Draw a map of the Southwest corner of Western Australia. Indicate the location of Greenbushes and some surrounding towns.

- ❖ What is the Bibbulmun Track?
 - ❖ Where does it start?
 - ❖ Where does it finish?

- ❖ What two main industries are operating in Greenbushes?
 - ❖ Find out what they produce or manufacture.
 - ❖ Try to locate Greenbushes on the Internet.
