

Name _____

Quarters and Waters

Visit our web site for information.

www.fremantleprison.com.au

1. Name the three men who supervised the planning and building of The Establishment.

--	--	--

2. Why were tools and building supplies scarce when building began in 1852.

3. Barred cell window frames were brought from England and used as ballast in sailing ships. Where were they stored in the ships?

4. Go to the Fremantle Prison web site '*Building Timeline*'. In what year was the Clock Tower over the Gatehouse completed.

5. When was the building of No. 10 The Terrace completed and who was it built for?

6. Christmas and New Year, 1987 - 88 saw a riot at Fremantle Prison. Find out more information and discuss in a group what happened and if this kind of situation could have been avoided. (Check out old newspapers held at major libraries for more information or check computer data)

Years 9-10
