

Teacher's Note

Answers:

Banana Cake Recipe:

1½ cups brown sugar
pinch of salt
½ cup butter (125 g)
3 eggs
2 cups flour
1 teaspoon bicarbonate of soda
½ cup of milk (125ml)
1 cup mashed banana

Method:

Mix sugar & eggs to a creamy consistency, add mashed banana & milk.
Sift flour, salt and bicarbonate of soda. Mix gently with other ingredients.
Pour in greased or lined baking tin. Bake at 180° Celsius until golden brown and firm in the centre.

- Check student's work for accuracy and grammar. Was their recipe close? Were their measurements realistic?

Suggested Activities:

- ❖ Make a banana cake with the students if you have the facilities at school.
- ❖ Make a pretend banana cake, measuring sand and water as the ingredients.
