

Teacher's Note

Answers:

Phobias

1. Acrophobia - fear of heights
 2. Aerophobia - fear of flying
 3. Ailurophobia - fear of cats
 4. Claustrophobia - fear of being in closed places
 5. Nyctophobia - fear of the dark
-
- Check student's story for grammar.
 - Discuss the picture the student drew. Have the student tell you why the particular thing he/she drew scares him/her.

Suggested Activities:

- ❖ Have a discussion about people who suffer from a phobia and explain why we shouldn't make fun of them.
- ❖ Collect pictures from old magazines showing things, animals, insects etc. Glue these pictures on a large poster, using it as a display. Write underneath what type of phobia it represents to some people.
- ❖ Visit: <http://www.colgate.com/kids-world/>
