

Teacher's Note

Answers:

Avoid calculators.

1. 18
2. 1993
3. 1916
4. 1954
5. 1979
6. 1969
7. 1961
8. 1974
9. 1917

Suggested Activities:

- ❖ Play a game with the students, asking them similar questions. Ask one student how old he is and have the other students work out the year he was born. Tell them the year you were born and ask them to work out how old you are.
- ❖ Visit: <http://www.funbrain.com/>
