

**Outcome Statement:**

| Learning Area - Mathematics                                                         |         |
|-------------------------------------------------------------------------------------|---------|
| Students increase calculation efficiency within their understanding of mathematics. |         |
| Strand                                                                              | Covered |
| Subtraction                                                                         | ✓       |
| Addition                                                                            | ✓       |
| Multiplication                                                                      | ✓       |
| Division                                                                            | ✓       |
| Monetary units                                                                      | ✓       |
| Weights                                                                             | ✓       |
| Measurement                                                                         | ✓       |
| Decimals                                                                            | ✓       |
| Roman numerals                                                                      |         |
| Powers                                                                              | ✓       |
| Rounding                                                                            |         |

**Answer Key**

| Maths 9   | Maths 10  |
|-----------|-----------|
| 1) 144    | 1) 81     |
| 2) 24     | 2) 22     |
| 3) 174    | 3) 69     |
| 4) 8      | 4) 10     |
| 5) \$9.60 | 5) \$3.10 |
| 6) 19.3kg | 6) 6.7kg  |
| 7) 18.1m  | 7) 3.8m   |
| 8) 100    | 8) 97.7   |
| 9) 100    | 9) 109    |
| 10) 75    | 10) 300   |
| 11) 110   | 11) 40    |
| 12) 116   | 12) 99    |
| 13) 3.2   | 13) 1.8   |
| 14) 68    | 14) 403   |
| 15) 36    | 15) 28    |
| 16) 6     | 16) 80    |
| 17) 72    | 17) 1     |
| 18) 80    | 18) 1001  |
| 19) 0.09  | 19) 9.5   |
| 20) 42    | 20) 36    |
