

Teacher's Note

Answers:

Task 1:

Susan pays \$5.25
Frank pays \$12.60

Please check students' drawings of the vegetables. Make sure they don't draw cheese.

Task 2:

5 kilo's of cheese	\$27.50
2½ kilo's of cheese	\$13.75
7 kilo's of snowpeas	\$34.30
3 ½ kilo's of snowpeas	\$17.15
4 kilo's of potatoes	\$ 3.20
7½ kilo's of potatoes	\$ 6.00

Task 3:

Check student's work for accuracy.

Suggested Activities:

- ❖ Ask students to bring \$1.00 each to school. Organize an outing to a local fruit and vegie shop. Ask each student to buy something worth \$1.00 Who manages to get the best deal? Is it cheaper to buy individual pieces of fruit or bulk?
- ❖ Visit: <http://www.cut-the-knot.com/games.html>
