

Teacher's Note

- Explain to the students to carefully read the passage. They must comprehend what they read or they will get the answers wrong.
- Check drawing. Has student drawn mum and 18 children's faces?

Answers:

1. 18
2. 19
3. 380
4. 38
5. 24
6. 16
7. 32
8. 3
9. 6
10. 3

Suggested Activities:

- ❖ Ask students similar questions as the ones on the worksheet. E.g. How many chairs in this classroom. How many legs? How many legs, if we quartered them? etc.
- ❖ Visit: <http://www.funbrain.com/>
