HE, SHE & BABY ME

How would you like it if someone called you a pretty girl and you are a young fellow?
Or how would you like it if someone called you a nice guy when in reality you are a girl?
Animals have their gender names too. There are males, females and babies. Below is a list of animals, can you write what they are called as a male, female and as a baby?

Animal	Male	Female	Young
sheep			
horse			
cow			
elephant			
whale
