

Teacher's Note – Gender Drawing

Suggested Activities:

- ❖ Research animal gender and what each animal looks like using the Internet.
- ❖ Investigate what each animal eats, where it lives, if it is endangered or extinct.
- ❖ Use this worksheet in conjunction with the worksheet ‘Animal Gender’. Available from P.E.T. www.teachingtreasures.com.au
- ❖ Copy the border paper for the drawing activity instead of using a sketch book.

Task: Investigate animal gender

Learning Area: Science biological

Linking Learning Areas: English reading, writing. Art skills
