

Name_____

SHARKS

dogfish, mako shark, hammerhead shark, saw shark, school shark,
thresher shark, nurse shark, whitepointer shark, hornshark, tiger shark,
basking shark, bullshark, leopard shark, grey reef shark

Choose two of the above shark species and draw an accurate picture of it.

--	--

Write a fact about each shark that you drew.

What rubbish can you see in the picture that does not belong in the ocean?
