

Teacher's Note

Answers:

- Check student's drawings on the different types of clouds.
- Meteorologist
- Bathyscaphe does not belong, it is a deep-diving craft.
- 

Check student's answers. Other choices are possible besides the ones given here.

DESERT	RAINFOREST	MOUNTAINS
very hot sunshine	lots of rain	snow & ice
wind	sunshine	sunshine
very little rain	wind	rain
		wind

- Check student's weather chart for accuracy and grammar.

Suggested Activities:

- ❖ Make a weather chart and keep a weather record for one month.
- ❖ Visit: <http://servant.geol.cf.ac.uk/solar/homepage.htm>
- ❖ Visit: http://www.wunderground.com/global/SA_ST_Index.html
