Choose three things from the list below that need water for survival.
Write them in the corner of each box. Write also, why they need water for survival.

house, plant, boat, swimming pool, living creature, television, people

Three identical rectangular boxes are arranged vertically. Each box has a decorative cloud-like shape in its top-left corner. A horizontal line is drawn near the top-left corner of each box, intended for writing. On the right side of each box, there is a curved arrow pointing downwards, indicating a sequence of answers.
