

Teacher's Note

- Students will need an encyclopedia, dictionary and other science books to complete this worksheet satisfactorily.

Answers:

- | | |
|--------------------------|--------------------------|
| 1) carbon dioxide | 21) hovercraft |
| 2) male | 22) blue |
| 3) Asia | 23) Louis Pasteur |
| 4) red | 24) no |
| 5) water | 25) Thomas Edison |
| 6) Carbon | 26) no |
| 7) Helium | 27) lead |
| 8) three | 28) Mercury |
| 9) no | 29) no |
| 10) Uranium | 30) no |
| 11) in the water (ocean) | 31) the arm |
| 12) meat | 32) a bat |
| 13) birds | 33) they chew the cud |
| 14) Nitrogen | 34) five |
| 15) chameleon | 35) atmospheric pressure |
| 16) banana | 36) Aluminium |
| 17) less | 37) 100 °C or 212°F |
| 18) Hydrogen | 38) ice |
| 19) rodent | 39) temperature |
| 20) a machine-gun | 40) fingers and toes |

Suggested Activities:

- ❖ Have a science quiz for fun.
- ❖ Ask the students to pick out a subject above and do research on that subject for an assignment.
- ❖ Visit: <http://www.southpole.com/>
