

Bacteria Structure Diagram:

Bacteria Shapes:

Suggested Activities:

1. Look at bacteria under a microscope.
2. Research the type of equipment used in a laboratory.
3. Make enlarged bacteria as a hands on art project using recycled materials.
4. <http://www.teachingtreasures.com.au/sciencenames/bacteriophage.htm>

Outcomes:

Science – biology, the structure of bacteria and their shape

English – reading, research skills
